

CHERRY, TROUT & SALMON FARM DAY TOUR

Only a 90-minute drive from Melbourne's CBD. It's a great day trip getaway.

Departing 7.30am, we head towards **Buxton** via **Black Spur Mountain Ranges**. We shall visit **Buxton Trout & Salmon Farm** with Picnic & BBQ facilities available where you can catch/purchase and cook you own fish for lunch.

If you decide to catch your fish, you can bring your own gears, or all fishing equipment is provided free of charge. Their friendly staff will give a quick fishing lesson, demonstrating how to use fishing rods & how to bait your hook.

There are several streams with different sized Rainbow Trouts & Atlantic Salmons. They also have a lightly stocked challenge lake - for the hardcore angler or overly excited children burning holes in your pocket.

They clean your fish (free of charge) & pack them on ice, ready to eat here OR take home. Using our BBQ & picnic facilities (included) you can cook your own trout or salmon for lunch. They can also sashimi your fish - doesn't get any fresher. Please remember your own cutlery and cooking utensils, and salads or sides.

Soon after we head towards **Yarck** to purchase **fresh cherries** at **Koalas Cherries farm** before heading back home via **Yea** by 18.00
