

MORNINGTON PENINSULA (RED HILL - DROMANA) WINE & BEER TOUR

Depart Melbourne around **8.30am** as we head straight to our first winery **Trofeo Estate Winery** for tasting only. Trofeo Estate employs the use of *Artenova Terracotta Amphorae* in the fermentation and maturation of certain varietals. It is currently the largest producer of 'Terracotta wines' in the Southern Hemisphere.

We then head to our second winery – **Polperro**. Sam Coverdale, the owner, established Even Keel in 2006 with a vision to create drinkable, elegant wines that surprise and celebrate the individual strengths of Australia's wine regions. Since 2009, he has specialised in premium, single-vineyard wines from the Mornington Peninsula, under the Polperro label. The region is characterised by a range of different soil types including deep and fertile red volcanic soil, as well as sandier brown and yellow varieties. Although most wineries here are relatively small, the region's many different sites, soil types and mesoclimates (the climatic conditions experienced by a vineyard site) produce an exotic array of wines.

Lastly, we will visit **Red Hill Brewery**, which is a unique, independent microbrewery located amidst its own hop garden on the top of Red Hill on the beautiful Mornington Peninsula. They produce classic European beer styles that are eminently drinkable, sessionable and just taste great. Their beers are made hands-on in small batches (800lt) with passion and skill and are getting further afield all the time. Red Hill Brewery has a core range of beers including Golden Ale, Pilsner, Wheat Beer and Scotch Ale.

**Suggested itinerary only. Wineries and Brewery can change subject to availability at the time of booking or choose your own favourites.*
