

PORTARLINGTON - BELLARINE PENINSULA DAY TRIP

Depart Melbourne around 8.00 am as we take a trip to **Portarlington**, which is a historic coastal township located on the Bellarine Peninsula, 28 km from the city of Geelong.

As we head West you can enjoy the views of Melbourne and **Port Phillip Bay** from the **West Gate Bridge** with 58 meters height above the water and the total length of 2,582.6 metres. It is the third-longest bridge in Australia and is twice as long as Sydney's Harbour Bridge.

We shall have a toilet stop and morning tea break at the **Victoria State Rose Garden** at Werribee. With over 5,000 roses (covering about 5 hectares), it's one of the tourist gems of Victoria.

We'll then head towards Geelong passing the scenic route of Geelong along the Coastline to the **Bellarine Peninsula**. Once we arrive at the Park, we settle down to have your BYO BBQ or Picnic lunch.

Soon after lunch, you can take a stroll on the **Pier** before starting our journey back to Melbourne by 17.00 with an optional stop for you to buy Mussels on the way home.
