

4-DAY WENTWORTH/ MILDURA

Welcome to our tour to Wentworth. This small town, near the provincial city of Mildura, is in an area commonly known as the Sunraysia District. As most locals can tell you this name is very appropriate, as the region enjoys a dry, clear climate with clear blue skies and 400 more hours of sunshine each year than the Gold Coast! Australia's two greatest rivers, the Murray and the Darling meet at Wentworth. Recently a new 4-star motel complex was completed adjacent to the Wentworth Services Memorial Club. The Wentworth Grande Resort and the Services Memorial Club provide a stunning base for our tour.
